About Acquia

Acquia is a commercial open source software company. We provide an incredibly valuable set of software and network services for the popular Drupal open source social publishing system. At Acquia, our goal is to maximize the potential of Drupal-powered solutions. We do that by offering annual subscriptions for software and services.

Acquia Network Services

The Acquia Network completes the Drupal experience by providing the support and network services to operate trouble-free Drupal 6.x websites. Drupal users range from single users to enterprise companies serving a global audience. Four levels of Acquia Network subscriptions are available to meet your service needs – Basic, Professional, Enterprise, and Elite.

Acquia Network Elite Subscribers

Elite subscriptions are a good fit for companies with immediately recognizable brands, generating over a million dollars of annual revenue, or relying on Drupal for enterprise-wide productivity. Elite subscribers depend on Drupal as an integral part of business operations.

Benefits of Elite Subscription

Fully Customized Support

The Acquia Network Elite subscription represents a support maintenance subscription tailored to your specific business needs. As an Elite subscriber, you'll enjoy the support and service you demand at a price that makes sense for your business.

Advisory Services

In addition, you can take advantage of our Drupal advisory services to obtain guidance and best practices regarding site architecture, performance and scalability, module selection and development, and more.

For Acquia Network Elite subscribers, Drupal is a mission critical part of getting business done. An Elite subscription to the Acquia Network ensures that your Drupal powered sites meet your business goals.
