About Acquia

Acquia is a commercial open source software company. We provide an incredibly valuable set of software and network services for the popular Drupal open source social publishing system. At Acquia, our goal is to maximize the potential of Drupal-powered solutions. We do that by offering annual subscriptions for software and services.

Acquia Network Services

The Acquia Network completes the Drupal experience by providing the support and network services to operate trouble-free Drupal 6.x websites. Drupal users range from single users to enterprise companies serving a global audience. Four levels of Acquia Network subscriptions are available to meet your service needs – Basic, Professional, Enterprise, and Elite.

Acquia Network Enterprise Subscribers

Enterprise Subscriptions are a good fit for companies likely to invest over \$50,000 on the design, development, administration, and hosting of Drupal sites. These companies depend on Drupal to power an online business, a corporate/organizational web site, or a large-scale internal application.

Benefits of Enterprise Subscription

Premium Technical Support

The Acquia Network Enterprise Subscription includes 24X7 emergency coverage, telephone and email access to world-class Drupal expertise and services to eliminate development roadblocks and reduce the risk and impact of system downtime.

Advisory Services

Enterprise Subscribers are allocated ten hours of Drupal advisory support. Acquia Drupal experts can deliver guidance and best practices regarding site architecture, performance and scalability, module selection and development, and more.

For Acquia Network Enterprise Subscribers, Drupal plays a key role in business operations. An Enterprise Subscription to the Acquia Network ensures that your Drupal resources are optimized to meet your business goals.

Acquia Network Enterprise subscriptions start at \$8,000 annually. For more information, contact Acquia Sales at sales@acquia.com, 888-9-ACQUIA or +1-978-296-5250.
