About Acquia

Acquia is a commercial open source software company. We provide an incredibly valuable set of software and network services for the popular Drupal open source social publishing system. At Acquia, our goal is to maximize the potential of your website with Drupal-powered solutions.

Acquia Network Services

The Acquia Network completes the Drupal experience by providing the support and network services to operate trouble-free Drupal 6.x websites. Drupal users range from single users to enterprise companies serving a global audience. Developer subscriptions are available for the Acquia Network to provide support and guidance for individuals building Drupal websites.

Acquia Network Developer Subscribers

Developer subscriptions are a good fit for web development professionals who build and deploy multiple Drupal websites for third party clients or large enterprises. Developer subscriptions ensure that you have access to expert Drupal support resources to ask questions, resolve issues, or take advantage of best practice resources.

Benefits of Developer Subscription

Acquia Technical Support

Developers benefit from access to Drupal experts via the Acquia Network - ask questions, access best practices and track issues through to resolution. When time is your scarcest resource, a Developer Subscription will make you more productive.

Learn Drupal Faster

Stop wasting time searching for answers to basic questions, we'll help you get a Drupal development workflow set up so you can focus on building great websites

Extend Your Drupal Team

When you are working on tight deadlines, take advantage of the Acquia support team to hit your project milestones and exceed client expectations.

Acquia Network Developers subscriptions start at \$5,000 annually. For more information, contact Acquia Sales at sales@acquia.com, 888-9-ACQUIA or +1-978-296-5250.
